MAIR Graduate Student Travel Grant Award

Purpose:
Pending available funding, the MAIR Graduate Student Travel Grant will be presented annually to a deserving graduate student who meets the award criteria outlined below. The award is intended to defray costs associated with attending and presenting at the MAIR Annual meeting. One award of $200 will be awarded to the successful applicant.

Requirements for consideration:
The applicant for the MAIR Graduate Student Travel Grant Award must meet the following qualifications.

- Currently enrolled as a degree-seeking graduate student at either the master’s or doctor’s level at an accredited institution of higher education in Mississippi, or employed full-time at an accredited institution of higher education in Mississippi and currently enrolled as a graduate student at an accredited institution of higher education in another state.
- The applicant must submit a scholarly presentation proposal and be accepted for presentation at the Annual MAIR meeting.

Instructions:
Applicants must submit the following materials by the proposal deadline to the MAIR president.

1. A completed presentation proposal through the MAIR meeting proposal website.

2. In a separate e-mail sent to the MAIR President, applicants must provide the following information.
   a. A statement (2-page maximum) by the applicant indicating the importance of the research for which the paper was written, the applicant’s contribution to the project, and the relevance of this research experience to the applicant’s career plans.
   b. Contact information including name, mailing address, phone number, e-mail, and name of institution where enrolled.
